Subtitle: Mutual Agreement on Early Withdrawal of Executive Board Member Holger Danowsky

Dortmund (euro adhoc) - In agreement with the Supervisory Board Holger Danowsky will withdraw from his membership in adesso Executive Board effective from 31 January 2011. In July 2010 Danowsky had been appointed Member of the adesso Executive Board due to the integration of the subsidiary SITGATE AG and was in charge of the department IT Management Consulting.

As part of an integrated market cultivation, the complete consulting business line is being managed by Co-CEO Michael Kenfenheuer since the beginning of 2011. By this, the strong interlinking of specialist and technical consulting is concentrated in a consistent management even on the organizational level.

As a result, the combination of the management departments in consulting business involves costs savings already in the current 2011 fiscal year. The regular contract period of Holger Danowsky's management contract had been determined until midyear 2013.
