Premstaetten - Premstaetten, Austria (26 June 2020) -- ams (SIX: AMS), a leading worldwide supplier of high performance sensor solutions, announces that in order to create transparency ams has approached the Austrian authorities on its own initiative with regard to investigations alleged in yesterday's media reports.

The Austrian financial market authority (FMA) has stated today that there is no investigation into the company. The authorities have further indicated an investigation related to possible insider trading into natural or legal persons who may be related or unrelated to ams. Information on the starting point, nature, development, or conclusion was not provided.

ams has policies and procedures in place which govern employee, management and other trading transactions. They are reviewed regularly and compliance is actively monitored.

###

About ams

ams is a global leader in the design and manufacture of advanced sensor solutions. Our mission is to shape the world with sensor solutions by providing a seamless interface between humans and technology.

ams' high-performance sensor solutions drive applications requiring small form factor, low power, highest sensitivity and multi-sensor integration. Products include sensor solutions, sensor ICs, interfaces and related software for consumer, communications, industrial, medical, and automotive markets.

With headquarters in Austria, ams employs around 8,500 people globally and serves more than 8,000 customers worldwide. ams is listed on the SIX Swiss stock exchange (ticker symbol: AMS). More information about ams can be found at <https://ams.com> [https://ams.com/]
