

## **Infosys to Acquire GuideVision, a Leading ServiceNow Elite Partner in Europe**

Bengaluru, India and Prague (ots/PRNewswire) - Acquisition to augment Infosys Cobalt portfolio of cloud services and further strengthen nearshore delivery presence in Europe

Infosys (NYSE: INFY), a global leader in next-generation digital services and consulting, today announced a definitive agreement to acquire GuideVision, one of the largest ServiceNow Elite Partners in Europe. GuideVision is an award winning enterprise service management consultancy specialised in offering strategic advisory, consulting, implementations, training and support on the ServiceNow platform.

GuideVision's end-to-end offerings, including SnowMirror - a proprietary smart data replication tool for ServiceNow instances - enables over 100 enterprise clients to simplify complex business and IT processes. GuideVision's training academy and nearshore capabilities in Czech Republic, Hungary, Poland, and presence in Germany and Finland will strengthen Infosys' ServiceNow capabilities for its clients in Europe.

ServiceNow is one of the fastest growing enterprise software companies, and is becoming an 'essential service' and workflow standard for organizations. Infosys was recognized by ServiceNow as the 2019 and 2020 ServiceNow Global Service Provider Partner of the Year.

Ravi Kumar, President, Infosys, said, "This acquisition is an important milestone in our journey to build capabilities relevant to the digital priorities of our clients. This move reaffirms our commitment to the growing ServiceNow ecosystem. The combination of scalable and agile nearshore capabilities of GuideVision in Europe, and their unmatched delivery excellence, complements our own effort to help global enterprises navigate their next. We are excited to welcome GuideVision and its leadership team into the Infosys family."

Narsimha Rao Mannepilli, EVP and Head - Cloud & Infrastructure, Infosys, said, "GuideVision's addition is another significant step towards strengthening our Infosys Cobalt offerings portfolio, bringing the combination of services, solutions and platforms, that

acts as a force multiplier for cloud-powered enterprise transformation. Our recently announced Infosys Cobalt portfolio has a large repository of ServiceNow Industry Cloud solutions like ESM Café, and this will now be bolstered by GuideVision's SnowMirror suite of Industry templates."

Norbert Nagy, Co-Founder, GuideVision, said, "GuideVision's exceptionally high customer ratings are the result of our continuous effort to deliver superior consulting and implementation services. Joining Infosys brings an extended portfolio of services we can offer to our customers on their digital transformation journey. The global Infosys footprint is an exciting opportunity for both GuideVision customers and employees."

Pavel Muller, Co-Founder, GuideVision, added, "We are happy to become a part of the Infosys family and we strongly believe that the shared underlying values are a great foundation for our common goals in the future. Our combined expertise will further drive our customers' digital transformation in the European market."

The acquisition is expected to close during the third quarter of fiscal 2021, subject to customary closing conditions.

ServiceNow, Now Platform and others are among the trademarks of ServiceNow, Inc.

#### Safe Harbor

Certain statements in this release concerning our future growth prospects, financial expectations and plans for navigating the COVID-19 impact on our employees, clients and stakeholders are forward-looking statements intended to qualify for the 'safe harbor' under the Private Securities Litigation Reform Act of 1995, which involve a number of risks and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding COVID-19 and the effects of government and other measures seeking to contain its spread, risks related to an economic downturn or recession in India, the United States and other countries around the world, changes in political, business, and economic conditions, fluctuations in earnings, fluctuations in foreign exchange rates, our ability to manage growth, intense competition in IT services including those factors which may affect our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, industry segment concentration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks or system failures, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which Infosys has made strategic investments, withdrawal or expiration of governmental fiscal incentives, political instability and regional conflicts, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our industry and the outcome of pending litigation and government investigation. Additional risks that could affect our future operating results are more fully described in our

United States Securities and Exchange Commission filings including our Annual Report on Form 20-F for the fiscal year ended March 31, 2020. These filings are available at [www.sec.gov](http://www.sec.gov). Infosys may, from time to time, make additional written and oral forward-looking statements, including statements contained in the Company's filings with the Securities and Exchange Commission and our reports to shareholders. The Company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the Company unless it is required by law.
